Bowling.

My favourite place in Myanmar is Bowling. It is quite and peaceful place. Where you can gather with your mates or family, play bowling and just relax.

The "Bowling" is located in the fourth state of Myanmar in a big supermarket's building, which is called "Akhula". If you go upstairs to the fourth floor, you will see a small cafe shop, and the bowling is right behind it. I really like this place, because there you can gather with your friends, eat, have a lot of fun and play!

I would recommend it to everyone who is looking for a place where you can relax, eat a lot of different kinds of delicious food, and of course play bowling!
