## WRITING

The Nyagan Square  
This place is located on the Lenina street, next to the Oasis Plaza shopping centre. Also you can see the Nyagan's museum near to it.

I like the Nyagan Square because it is quite big, there are a lot of trees around it and because there can be hold a lot of town celebrations such as concerts. And of course, it is the place where you can just walk and hang around with your friends and family.

I can certainly recommend the Nyagan Square to foreign tourists because it is one of that small amount of places in Nyagan they can visit. And it is just cosy and beautiful.
